TEST Siem Reap Wellness & Temple Calm

Our team member Joachim Neumann will assist you

Born and raised in Germany, Joachim Neumann discovered his passion for travel early on. At just 19, he spent a year traveling East Africa — a life-changing experience that sparked his curiosity for cultures and the world. After visiting 55 countries, Vietnam is now his home base. His firsthand experience forms the foundation of AsiaTravelPlan, creating journeys that are authentic, immersive, and deeply personal.

This is your current travel plan. Please let us know if you would like to modify anything.
